Williston, VT 1998-2000
DuBois & King
Randolph, VT 1996-1998

Volunteer Work

VT Society of Land Surveyors
*President,
Executive Committee 2018*

Mark is the Vice President of Land Surveying overseeing the surveying staff while providing valuable senior level surveying expertise as a Project Manager on a wide variety of projects. Mark coordinates the work efforts and quality control for the majority of TCE's field work.

Mark is a resident of Essex Junction, VT where he and his wife Cheryl are raising three boys. His boys keep him busy with youth hockey, soccer and track. Mark also enjoys spending time at his family camp in Isle La Motte.

Over the past 27 years in surveying, Mark has gained a broad knowledge base of the industry through a variety of positions, affiliations and owning and operating a successful Land Surveying business.

Recent Project Experience

Temporary Drawbridge Layout Services, Route 2 - Grand Isle, VT

TCE was contracted to provide construction layout services of the construction of a temporary drawbridge along Route 2 over Lake Champlain, connecting Grand Isle and North Hero. Our services have been performed on a mostly full time basis offering key layout points for contractors drilling piles to ensure proper alignment and fitment of the mechanical drawbridge. This has been a very exciting and unique project and we are proud to be part of the effort.

Department Brief

Under Mark's direction, the survey staff at TCE performed more than one hundred new boundary, topographic and FEMA related surveys as well as countless construction layouts, updates to pre-existing projects, and many engineering support surveys in 2018.

In 2018 the Survey Department expanded our workforce adding Heath Butler as a Survey Project Manager and Nicole Snow as a Survey Technician, both of which have proven themselves as valuable additions to our skilled staff.

Additional Projects

- Auclair Boundary, S Burlington
- Westcom Boundary, Bakersfield
- Lowe Boundary, Morristown
- Curley Boundary, Burlington
- Ewald Boundary, South Hero
- Pike Record Surveys, Various Loc.
- Caliber Boundary, Rutland
- Cianbro Layout Svcs, Grand Isle
- Starr Farm ALTA Survey, Burlington
- CVS Pharmacy ALTA Survey, S Burlington
- AGS FEMA Survey, Wolfboro, NH
- Washburn Boundary, Lebanon, NH
