

## Mona Powers

*CAD Technician*

*19 Years at TCE*

### Education

A.S. Surveying Technology '83  
*Vermont Technical College*

### Work History

Phelps Engineering  
*Middlebury, VT 1989-2000*

Nowlan Engineering  
*Ludlow, VT 1983-1989*

### Volunteer Work

Jim's House  
*Volunteer – Interior & Exterior  
Maintenance*

Mona is a CAD Technician at TCE. She works directly with the design engineers and surveyors, and is responsible for producing design site plans, sanitary and water supply plans, erosion control plans, landscape plans, lighting plans, detail sheets, and presentation drawings.

Mona's enjoys a variety of outside activities including gardening, walking and hiking.

With over 30 years in the field of engineering, Mona's drafting skills are an asset to the firm. She brings a positive attitude and a willingness to put in extra effort to her projects. Mona often juggles many projects with a variety of Project Managers that require her to be flexible and efficient with time management.

### Recent Project Experience

**VT Hotel Group, Williston, VT** Mona was the primary draftsman for a 91-unit hotel building with underground parking. This commercial project included site and utility design.

**Colchester Avenue Housing, Burlington, VT** Mona was the draftsman for the Planned Unit Development (PUD) which consisted of mix of existing commercial and residential buildings along with a new 75 unit residential building.

**Mitchwartz Properties, LLC, South Burlington, VT** Mona was the primary draftsman for a two story building with medical office space on the first floor and six 1 bedroom units above.
